

Partnership Packages

The Center Best Practice Conference, Aug. 30 – Sept. 2, 2021 in Phoenix, Arizona will serve as a training venue for the [National Institute of Standards and Technology's Hollings Manufacturing Extension Partnership \(MEP\)](#) Centers to share and receive best practice(s) with MEP Center colleagues.

Who will attend the conference?

Attendees include the national network of hundreds of MEP specialists who understand the needs of America's small manufacturers. The nationwide network consists of manufacturing extension partnership centers located in all 50 states and Puerto Rico, offices of which work with more than 30,000 manufacturers per year.

Who will host the conference?

The Foundation for Manufacturing Excellence, a subsidiary of the American Small Manufacturers Coalition, and the trade association for NIST MEP, will host the conference in coordination with the MEP Network and MEP Advisory Board Meeting.

How your organization can be involved?

The Center Best Practice conference is offering conference partnership opportunities for organizations to raise their profile and connect with the national network of MEP Centers. Packages include:
